CONFLICT OF INTEREST FORM

In accordance with 24 CFR 214.303(f) A director, employee, officer, contractor, volunteer, agent of Hawaiian Community Assets (HCA) or the spouse, child or business partner of any individual holding these positions shall not engage in activities that create a real or apparent conflict of interest:

A. A person in a Position of Trust including a director, employee, officer, contractor, volunteer, agent of HCA or the spouse, child or business partner of any individual holding these positions must avoid any action that might result in, or create the appearance of, administering the housing counseling operation for personal or private gain. It is a conflict of interest for any of the above parties to provide preferential treatment to any organization or person, or to undertake any action that might compromise the agency's ability to ensure compliance with the Conflict of Interest requirements stated herein and to serve the best interests of its clients.

B. Direct Interest. A conflict of interest would arise if the director, employee, officer, contractor, volunteer or agent of HCA or the spouse, child or business partner of any individual holding these positions of trust or any organization in which these persons serves as an employee (other than with HCA), or with whom he or she is negotiating future employment, has a direct interest in the client by virtue of their role:

1. As the client's landlord;
2. As the client's real estate agent or broker;
3. As the client's creditor;
4. As the client's mortgage broker;
5. Loan originator; having a financial interest in, servicing, or underwriting a mortgage on the client's property;
6. Owning or purchasing a property that the client seeks to rent or purchase;
7. Serving as a collection agent for the client's mortgage lender, landlord or creditor.

A direct interest shall be defined as administering HCA's housing counseling operation for personal or private gain. This would include receiving anything of value, including compensation on a commission basis, for any of the above-referenced services to the client related to the matter on which the client is being counseled. However, it shall not preclude a director, employee or officer, who provides multiple affordable housing services on behalf of HCA, being compensated in the form of a reasonable salary from HCA.

C. Referrals. It is a conflict of interest for a director, employee, officer, contractor, volunteer, or agent of HCA to refer clients to entities that provide a service to the client related to the matter that the client is being counseled about in which they, or their spouse, child, or general partners, have a financial interest, including but not limited to:

1. Landlords;
2. Real estate agents or brokers;
3. Creditors;
4. Mortgage brokers;
5. Loan originators;
6. Property owners—seeking to sell or rent clients;
7. Collection agents for the client's mortgage lender, landlord, or creditor

It is also a conflict of interest for the director, employee, officer, contractor, volunteer, or agent of HCA to accept a fee or any other consideration for personal or private gain for referring their housing counseling client(s) to any of those parties, or to acquire the client's property from the trustee in bankruptcy, or accept a fee or any other consideration for referring a client to the parties listed above.
